RESEARCH UK
RACE FOR LIFE

Cancer Research UK Oxford Race for Life

University Parks
Sunday 22 August 2021

KEY

Roads highlighted in **YELLOW** shall be closed from 08:30-12:45

Roads highlighted in **PURPLE** shall be closed from 08:30-13:10

South Parks Road
St Cross Road
Longwall Street
Queens Lane
New College Lane
Catte Street
Parks Road

High Street will be under traffic management. Stop Go boards will enable traffic to flow in both directions along this road where the normal road width is restricted.

Parks Road will be under traffic management measures. The south bound carriageway will be closed. North bound travel will be suspended for the duration of the order. Only intermittent access, will be enabled southbound on Parks Road.

Norham Gardens will operate as a part closure. The northbound lane will be free flowing until the junction of Bradmore Road. Southbound traffic will be suspended and diverted along Bradmore Road, which will leave the southbound lane as a drop off zone. This will be managed by a traffic controller.

Due to the closures of South Parks Road, St Cross Road, Longwall Street and Parks Road access will be restricted to:

Holywell Road, Jowett Walk, Mansfield Road, Savile Road and Manor Road
