Section 2: Safeguarding is everyone's business

In accordance with the Church of England Safeguarding Policy Statement our church is committed to:

- Promoting a safer environment and culture
- Safely recruiting and supporting all those with any responsibility related to children, young people and vulnerable adults within the Church
- Responding promptly to every safeguarding concern or allegation
- Caring pastorally for victims/survivors of abuse and other affected persons
- Caring pastorally for those who are the subject of concerns or allegations of abuse and other affected persons
- Responding to those that may pose a present risk to others.¹

Therefore, the University Church will:

- Create a safe and caring place for all.
- Have a named Parish Safeguarding Officer (PSO) to work with the incumbent and the PCC to implement policy and procedures.
- Safely recruit, train and support all those with any responsibility for children, young people and adults to have the confidence and skills to recognise and respond to abuse.
- Ensure that there is appropriate insurance cover for all activities involving children and adults undertaken in the name of the parish.
- Display in church premises and on the front page of the parish website the details of who to contact if there are safeguarding concerns or support needs.
- Listen to and take seriously all those who disclose abuse.
- Take steps to protect children and adults when a safeguarding concern of any kind arises, following House of Bishops guidance, including notifying the Diocesan Safeguarding Team and statutory agencies immediately.
- Offer support to victims/survivors of abuse regardless of the type of abuse, when or where it occurred.
- Care for and monitor any member of the church community who may pose a risk to children and adults whilst maintaining appropriate confidentiality and the safety of all parties.
- Ensure that health and safety policy, procedures and risk assessments are in place and that these are reviewed annually.
- Inform the Diocesan Safeguarding Team if we use an alternative DBS Umbrella Body to APCS and if we receive any DBS Disclosures that are not clear.
- Review the implementation of the Safeguarding Policy, Procedures and Practices at least annually.

In particular, the University Church aims to:

- 2.1 Reduce the risk of significant harm to vulnerable people (children and adults) from abuse or other types of exploitation, whilst listening to and supporting individuals
- 2.2 Ensure safeguarding is everybody's business, with this institution playing its part in preventing, detecting and reporting neglect and abuse
- 2.3 Ensure arrangements are in place locally to protect those least able to protect themselves.

Section 3: Definitions

- 3.1 The term "child" is used to include all children and young people who have not yet reached their 18th birthday. The fact that a child has reached 16 years of age, is living independently, is in further education, is a member of the armed forces, in hospital, in prison or in a Young Offender's institution, does not change his or her status or entitlement to services or protection under the Children Act 1989. The Parish Safeguarding Handbook² also uses the term 'young person/people' for those aged between 14 and 17.
- 3.2 The term "vulnerable adult" refers to a person aged 18 or over whose ability to protect himself or herself from violence, abuse, neglect or exploitation is significantly impaired through physical or mental disability, illness, old age, emotional fragility, distress, or otherwise; and for that purpose, the reference to being impaired is to being temporarily or indefinitely impaired. Please note that some adults may not consider themselves vulnerable but may be vulnerable to being abused by individuals in positions of leadership and responsibility. As adults are not inherently vulnerable and in need of protection it is important to recognise that the factors described below do not, of themselves, mean that a person is vulnerable. It is a combination of these factors and the circumstances that a person finds him/herself in that can make an individual vulnerable to abuse or neglect.
- 3.3 For definitions of abuse, see Appendix 1: Types of Abuse.

Section 6: Duties of Faith Organisations

Section 11 of the Children Act 2004

6.1 Section 11 of the Children Act 2004 places duties on a range of organisations and individuals to ensure their functions, and any services that they contract out to others, are discharged having regard to the need to safeguard and promote the welfare of children.

6.2 The range of organisations includes “Faith Organisations”:

“Every Voluntary, charity, social enterprise, faith-based organisation and private sector organisation or agency should have policies in place to safeguard and protect children from harm. These should be followed and systems should be in place to ensure compliance” as described in Working Together (2018).³

³ Working Together to Safeguard Children 2018 see p.56 onwards, and especially p.71 (paragraph 57) to p.72 (paragraph 62)

Section 7: Statutory Safeguarding requirements for all vulnerable people (children and adults)⁴

The Parochial Church Council (PCC) is the main decision maker of a parish. Its members are clergy, church wardens and others elected by the Annual Parochial Church Meeting (APCM) of the parish. The PCC and the incumbent have a duty of care to ensure the protection of the vulnerable in their church community. The Diocese of Oxford is responsible for supporting parishes in implementing the House of Bishops' Safeguarding Policy and Practice Guidance.⁵ This includes arrangements to monitor the quality of safeguarding arrangements in parishes. The Diocese of Oxford is also responsible for the delivery of safeguarding training.

The Parochial Church Council is responsible for ensuring that the University Church has put in place safeguarding arrangements that reflect the importance of safeguarding and promoting the welfare of children and adults in accordance with statutory requirements and locally agreed interagency procedures:

- a) as set out in *Working Together to Safeguard Children 2018* in relation to children
- b) following equivalent guidance in relation to adults who are vulnerable.

Such statutory requirements are as follows:

- 7.1 a clear line of accountability for the commissioning and/or provision of services designed to safeguard and promote the welfare of children and adults
- 7.2 a member of the Parochial Church Council to take leadership responsibility for the organisation's safeguarding arrangements (the PCC Safeguarding Lead)
- 7.3 a culture of listening to children and adults, taking account of their wishes and feelings, both in individual decisions and the development of services
- 7.4 arrangements which set out clearly the processes for sharing information, with other professionals and with the Local Safeguarding Children Board (LSCB)⁶ or Local Safeguarding Adults Board (LSAB)⁷
- 7.5 the appointment of a Parish Safeguarding Officer. Their role is to support other staff in recognising the needs of children and adults, including rescue from possible abuse or neglect [see appendix 2]. The Parish Safeguarding Officer should always be explicitly defined in job descriptions (see appendix 2). The Parish Safeguarding Advisor should be given sufficient time, funding, supervision and support to fulfil their child welfare and safeguarding responsibilities effectively.

⁴ See Also the Care Act 2014 http://www.legislation.gov.uk/ukpga/2014/23/pdfs/ukpga_20140023_en.pdf

⁵ See Diocesan Safeguarding Policy: <https://www.oxford.anglican.org/wp-content/uploads/2016/08/Diocesan-safeguarding-policy.pdf>

⁶ Local Safeguarding Children Boards (LSCBs) were established by the Children Act 2004 which gives a statutory responsibility to each locality to have this mechanism in place. LSCBs are now the key system in every locality of the country for organisations to come together to agree on how they will cooperate with one another to safeguard and promote the welfare of children. The purpose of this partnership working is to hold each other to account and to ensure safeguarding children remains high on the agenda across their region.

⁷ The Local Safeguarding Adults Board (LSAB) is a multi-agency partnership which provides strategic leadership for the development of adults safeguarding policy and practice, consistent with national policy and best practice.

7.6 safe recruitment procedures ensuring that all appropriate checks, including criminal record checks, are carried out on staff and volunteers who work with children and adults who are vulnerable

7.7 appropriate supervision and support for staff, including undertaking safeguarding training:

- employers are responsible for ensuring that their staff are competent to carry out their responsibilities for safeguarding and promoting the welfare of children and adults and creating an environment where staff feel able to raise concerns and feel supported in their safeguarding role;
- staff should be given a mandatory induction, which includes familiarisation with child protection responsibilities and procedures to be followed if anyone has any concerns about a child's or adult's safety or welfare; and
- all staff should have regular reviews of their own practice to ensure they improve over time.

7.8 clear policies in line with those from the LSCB/LSAB for dealing with allegations against people who work with children or adults who are vulnerable. An allegation may relate to a person who works with children or adults who has:

- behaved in a way that has harmed a child or adult, or may have harmed a child or adult;
- possibly committed a criminal offence against or related to a child or adult; or
- behaved towards a child or children or adult(s) in a way that indicates they may pose a risk of harm to children or adults.

7.9 in addition:

- county level and unitary Local Authorities should have a Local Authority Designated Officer (LADO)⁸ to be involved in the management and oversight of individual cases. The LADO should provide advice and guidance to employers and voluntary organisations, liaising with the police and other agencies and monitoring the progress of cases to ensure that they are dealt with as quickly as possible, consistent with a thorough and fair process;
- any allegation should be reported immediately to a senior manager within the organisation. The LADO should also be informed within one working day of all allegations that come to an employer's attention or that are made directly to the police; and
- if an organisation removes an individual (paid worker or unpaid volunteer) from work such as looking after children (or would have, had the person not left first) because the person poses a risk of harm to children, the organisation must make a referral to the Disclosure and Barring Service⁹. It is an offence to fail to make a referral without good reason.

Specific arrangements for the University Church's implementation of these requirements are set out in section 8.

⁸ The LADO works within Children's Services and should be alerted to all cases in which it is alleged that a person who works with children has: behaved in a way that has harmed, or may have harmed, a child, possibly committed a criminal offence against children, or related to a child, behaved towards a child or children in a way that indicates s/he is unsuitable to work with children. The LADO role applies to paid, unpaid, volunteer, casual, agency and self-employed workers. They capture concerns, allegations or offences emanating from outside of work. The LADO is involved from the initial phase of the allegation through to the conclusion of the case.

They will provide advice, guidance and help to determine whether the allegation sits within the scope of the procedures. The LADO helps co-ordinate information-sharing with the right people and will also monitor and track any investigation, with the aim to resolve it as quickly as possible. If you need to contact your Local Authority Designated Officer (LADO), please consult your Local Safeguarding Children Board (LSCB) or Local Children's Services Authority.

Appendix 6: Safer Recruitment

A key way of protecting children and adults from harm is to ensure the careful recruitment of those working with them. The House of Bishops' Safeguarding Policy states '*The Church will select and vet all those with any responsibility related to children, young people and vulnerable adults within the Church*'.

<p>The PCC is responsible for the appointment of those working with children, young people and vulnerable adults, paid or unpaid. Often the responsibility is delegated to the incumbent. At least two individuals (which could include the incumbent) must be responsible for recruitment. All those involved in recruitment must be capable and competent, trained in safer recruitment and able to keep personal matters confidential.</p>		
1.	<p>Job/Role Description Construct a clear and accurate job description and person specification, or for an unpaid role, a role outline, which sets out what tasks and responsibilities the applicant will undertake, and the skills and experience required. This will include what level of DBS check is required.</p>	<p>Job/role description to be approved by the Incumbent and Churchwardens before issued. Incumbent and Churchwardens to select the appointment panel.</p>
2.	<p>Advertise Ensure that any advertising or information published about the role makes clear reference to the level of DBS check required and the need for applicants to complete a confidential declaration.</p>	<p>Job details, application form and confidential declaration form to be published on the church website.</p>
3.	<p>Application Form Ask all applicants to complete an application form for all paid roles (a Curriculum Vitae may be used for voluntary roles, but an application form is good practice and is recommended). Always ask for, take up and check two references. For paid roles, this should be the current or most recent employer. Applicants should also provide evidence of their right to work in the UK (passport).</p>	<p>Applications to be kept secure by the Administrator and reviewed by the appointment panel. Unsuccessful applications to be destroyed at the end of the recruitment process.</p>
4.	<p>Confidential Declaration Form (CDF) Ask applicants to complete a Confidential Declaration Form.</p>	<p>CDF documentation to be kept secure by the Administrator and reviewed by the appointment panel.</p>
5.	<p>Shortlist (Paid posts) Shortlist, carefully examining the application forms. Identify any gaps in employment/personal history and ensure those shortlisted have met the requirements of the person specification.</p> <p>Shortlist (Unpaid roles) Review any interest from volunteers and assess suitability against requirements.</p>	<p>Administrator to use the Grid Template for shortlisting for paid posts.</p>
6.	<p>Interview Have a face-to-face interview (or informal discussion if unpaid) with pre-planned and clear questions to assess applicants' suitability for the role. Seek explanations for gaps in</p>	

	employment/personal history. It may also be appropriate to ask the individual to complete a test or presentation if applicable. Check identification and the Confidential Declaration Form (CDF).	
7.	Checks Once the applicant has been offered the role, subject to satisfactory checks, ask the applicant to complete a Disclosure and Barring Service check (DBS) application (online or paper depending on the diocese's process). Any blemished DBS checks or information of concern on the CDF must be risk assessed by the DSA. Please note if someone has either never lived in the UK or spent a period of time overseas (i.e. lived abroad), the person making the appointment should request an additional check and ask the applicant to obtain criminality information from the country where he/she was resident. It is also recommended to undertake an occupational health check for paid roles where possible.	Use offer letter template.
8.	Appoint Once all checks are satisfactory and support the interview decision, the person can be formally appointed. It is recommended to add an end date to unpaid roles. This can always be extended but helps set expectations for both parties.	Use letter of engagement template. Alert new staff to CO training online and invite them to complete before start date. Issue Contract of Employment.
9.	Probation Period Ensure that probation period (or settling in period for the unpaid) is clear and that the date for the review at the end of this period is scheduled.	
10.	Induction Induct new unpaid and paid workers. Issue Staff Handbook and Volunteer Handbook. Ensure supervision/support is in place and arrange for attendance on the Church of England safeguarding training	

Appendix 7: Code of Safer Working Practice

This code is provided for all staff, venue hire visitors and contractors at the University Church (including St Mary's PCC Ltd. and the Vaults and Garden Café) to follow when working and volunteering with children, young people and adults. The code represents the behaviours which constitute safe practice. As such it will assist those working with children and adults at risk of abuse or neglect to do so safely and responsibly, enabling them to monitor their own standards of integrity and good practice.

You should:

- Treat all children, young people and adults with respect and dignity, keeping your own language, attitude and body language respectful.
- Actively communicate with children, young people and adults at risk and involve them in planning and running activities where possible.
- Avoid being alone with a child; there should always be two safely recruited adults with each group of children.
- Develop a culture where staff (paid and voluntary), children and adults at risk feel comfortable to point out inappropriate attitudes and behaviour in each other.
- Make it plain who someone can speak about a personal concern, and be proactive in addressing concerns and allegations.
- Never use illicit drugs, abuse prescription medication, or use alcohol when responsible for a child or adult at risk.
- Keep physical contact specific to the needs of the activity and always seek permission from the person first.
- Obtain consent for any photographs/videos to be taken, shown or displayed.²⁶
- Act in accordance with the guidance on communicating electronically and the social media policy, avoiding inappropriate on-line friendship.
- Never use rough play, sexually provocative words and games or any forms of physical punishment.
- Never scapegoat, ridicule or reject a child, group or adult or allow others so to do.
- Avoid showing favouritism to any one child, adult or group or doing anything to reinforce any inappropriate behaviours.
- Never give lifts to children or young people on their own or on your own or allow unknown adults access to children.
- Never share sleeping accommodation with children or invite them to your home alone.
- Always operate within the University Church's principles, procedures and guidelines, clarifying these when unsure.

The above set clear expectations of behaviour and codes of practice which serve to reduce the possibilities of positions of trust being abused or misused, or false accusations being made. More detailed guidance on safe working practices, such as when to gain consent, working with and transporting children, can be found in the guidelines available through the Safeguarding Toolkit on the Diocese of Oxford website.

This guidance is included in the Staff Handbook.

Appendix 8: Venue Hire

The following statement is included in the Terms and Conditions for all venue hire (including concerts and performances) at the University Church. The good practice guide referred to can be found in Appendix 10.

The Parochial Church Council has a Policy for Safeguarding Children, Young People and Vulnerable Adults. Your booking agreement is conditional upon you complying with it unless you already have an equivalent policy of your own. You are required to ensure that children, young people and vulnerable adults are protected at all times, by taking all reasonable steps to prevent injury, illness, loss or damage occurring; and that you carry full liability insurance for this. In particular this means:

- (a) you will comply with the attached good practice guide with children and young people or vulnerable adults unless you already have an equivalent;
- (b) you will provide the church with a copy of your organisation's Safeguarding Policy/ies or if you do not have one adopt the current parish policy;
- (c) you will recruit safely all current paid and voluntary workers who work with children and/or vulnerable adults, by obtaining satisfactory disclosures from the Disclosure and Barring Service where eligible, and keeping records of dates and disclosure numbers indefinitely;
- (d) you will keep a list of the names of all paid and voluntary workers with direct contact with children/vulnerable adults for this event;
- (e) you will always have at least two leaders over the age of 18 years in any group of children and young people, no matter how small the group;
- (f) no person under the age of 18 years will be left in charge of any children or young people of any age;
- (g) no child or group of children or young people should be left unattended at any time;
- (h) a register of children, young people or vulnerable adults attending the activity will be kept securely. This will include details of their name, contact details of parent/guardian/carer etc., date of birth and next of kin;
- (i) you will immediately (within 24 hours) inform the Parish Safeguarding Officer of:
 - (i) the occurrence of any incidents or allegations of abuse or causes of concern relating to members or leaders of your organisation, and contact details for the person in your organisation who is dealing with it
 - (ii) any known offenders against children or vulnerable adults seeking to attend the event, and manage such allegations or agreements with offenders in co-operation with statutory agencies, and with the church.

Appendix 9: School Visits and Tower Tours

The following advice is issued to all organisers of School Groups visiting the University Church.

Activities involving children need to ensure good practice standards across a wide range of areas including: recruitment of staff; DBS checking; staffing ratios; suitability of premises; health and safety arrangements; and facilities for children with special needs.

Every group should have at least two staff, even for smaller groups, and if possible one male and one female. Staff ratios should always be based on a thorough risk assessment.

Your Visit

- Please enter the Church through the High Street entrance and report to the Welcome Desk where staff will be ready to assist you.
- Teaching staff should stay with their group at all times, inside but also in the Church grounds.
- Large groups can be disruptive and block entrances and aisles. On entry, groups should be divided into small groups of approx. 10 students. Please do not re-group inside.
- Each group leader will receive a 'Highlights' leaflet with a short synopsis of the Church's main features.
- Please ask students to switch off mobile phones, remove chewing gum and explain that hats or caps are not worn in Christian churches.
- Follow the suggested route of the Highlights leaflet and do not go against the visitor flow.
- At certain times, services take place in the Chancel. Please respect those who are worshipping by being as quiet as possible and ask students to refrain from taking photographs of the worshippers.
- The Chancel is a quiet place for prayer and worship. Please respect this and all stay silent whilst you take your group around this area.
- Visitors may take photographs for personal use, except for the Chancel during services.
- When leaving the Church, please exit through the tower exit into Radcliffe Square.
- If possible, inform the Church Administrator if you require special assistance for disabled access or facilities in advance. If not possible to do this in advance, Our welcomers will be pleased to assist on arrival. An Access Statement is available from our website.

Tower Tours

- No children under the age of 8 are allowed to go on a Tower Tour.
- All children under the age of 16 must be accompanied by an adult at all times.
- The carriage of large items of baggage can cause congestion and fatigue. It is safer to leave baggage with a responsible person at ground level to leave both hands free.

Good Practice Guide

Things to remember:

- Treat everyone with respect, setting a positive example for others.
- Respect personal space and privacy.
- Ensure any actions cannot be misrepresented by someone else.
- Challenge unacceptable behaviour.
- Do not put anyone, including yourself, in a vulnerable or compromising situation.
- Do not have inappropriate physical or verbal contact with others.
- You must not keep allegations or suspected abuse secret.

What to do if...

... you have concerns about possible abuse (including allegations):

- In an emergency, call 999.
- In other cases, make a telephone referral to the Local Authority Social Services. For out of hours referrals, call the Emergency Social Work Team
- Describe the event or disclosure and give information about the child & family e.g. the child's name, date of birth, address, telephone number and GP (if known).
- Follow up your telephone call with a completed referral form, letter or email.
- Remember that the child & family should, wherever possible, be informed about and consent to the referral unless this will put the child's welfare at risk. However, if you have serious concerns, the absence of consent should not prevent a referral. The Duty Social Worker will give you advice over this if necessary.

- Be prepared to have further discussions with the social work team or the police investigation team.
- Notify the Parish Safeguarding Officer and the Diocesan Safeguarding Advisor.

What to do if...

... a child, young person or adult wishes to disclose they have been abused:

- Listen. Keep listening. Do not question or investigate.
- Do not promise confidentiality; tell them we need to share this.
- Assure them they are not to blame.
- Tell them what you are going to do and that they will be told what happens.
- Make careful notes of what is said, record dates, times, events and when you are told.
- Report it to the person to whom you are responsible and your Designated Officer for Safeguarding or Principal.
- Only tell those who need to know.
- Do not alert the alleged perpetrator.
